

# Guidelines for International Clients

- Fill out the required information in the Card-Scan application and the fingerprint form, and print them on regular paper.
- Get your fingerprints taken on the fingerprint form (or a form having similar layout of fingerprints) by your local police. The name and address of the police office need to be mentioned on the fingerprint form, and the officer taking fingerprints needs to sign this form.
- Complete Third Party Consent form **only if** you are requesting the RCMP to send the Certified Criminal Record Check to Worldwide Forensic Services Inc., a lawyer, friend or family member. Otherwise, the RCMP will send the results to you via regular (non-trackable) mail.
- Include clear photocopies of two government issued identification documents (IDs). One must be a photo ID, with clearly visible photo.
- Send one photograph (any size, front profile, without glasses and with neutral expressions).
- Complete the credit card payment form. If you want to pay via PayPal, please send us a quick email and we will send you a PayPal invoice.
- Send all the completed documents via mail (not-email) or courier to our Card Scan facility, to the address on the check-list. We cannot process scanned copies.
- We will digitize inked fingerprints to encrypted format and transmit them to the RCMP (via secure server).
- The RCMP will send the certified criminal record check (hard copy) via regular mail. The RCMP do not send the certificate via email or courier.
- In case you need it urgently, the RCMP can send it us and we can then forward it to you or a third party, via courier, at an additional cost. **Please send us an email and provide your complete address to obtain a quote from the courier company.**

**\*If the applicant was ever charged by the police in Canada, overstayed in Canada or deported from Canada, the RCMP can take up to 120 days or more to send the results.**
